MISSION
AID Atlanta’s mission is to reduce new HIV infections and improve the quality of life of its members and the community by breaking barriers and building community.

CORE VALUES

COMPASSION
We affirm the dignity and worth of every person through our thoughts, actions, governance, and service with the same kindness that we want to receive.

RESPECT
We celebrate diversity and individuality. We speak words and demonstrate actions that bring honor and pride to ourselves, our organization, and our community.

SERVICE EXCELLENCE
We believe that everyone deserves excellent customer service and quality healthcare. We make every effort to attend to our members’ needs and improve their health outcomes.

INTEGRITY
We strive to be honest, ethical, and fair in everything we do. We fulfill our commitments, hold each other accountable, lead by example, and concentrate on doing the right thing every time.
FROM THE EXECUTIVE DIRECTOR

Dear Friends,

Since our founding in 1982, AID Atlanta has been providing HIV/AIDS related services in the greater Atlanta metropolitan area. Over our 36 years of service, we have become one of the leading HIV/AIDS service organizations in the Southeast.

Greater Atlanta community support has allowed AID Atlanta to increase HIV and STI testing and treatment link more HIV+ individuals to medical and social supportive care regardless of their ability to pay.

2017 continued to be a year of growth for AID Atlanta. I am pleased to report that we provided HIV and STI testing services for over 10,000 individuals and increased our health care centers’ patient census to 2,365 patients (up from 350 in 2014). Our GA HIV/AIDS Information HotLine provided a record 17,365 callers with information, resources, and referrals throughout the state and our case management program serviced almost 2000 HIV+ individuals. Currently 74% of our patients are virally suppressed and by the end of 2018 we plan to meet our goal of an 80% viral load suppression rate.

In our efforts to fulfill our mission, we have continued to aggressively address the HIV epidemic by providing increased HIV and STD testing and counseling services, PrEP (Pre-Exposure Prophylaxis) education and treatment, behavioral health counseling, comprehensive HIV medical care, community based educational programs, referral services, and case management. The recent launch of our Men’s Engagement Network (MEN) has provided additional resources and direct services to help improve the sexual health and well-being of those most impacted by this HIV crisis in Georgia.

We are grateful to our staff, community partners, volunteers, and especially our donors for continuing to stand with us in this fight.

Again, thank you for your support as we all work to foster a healthier community.

Warmly,

Nicole Roebuck, MSW
Executive Director
AID Atlanta, Inc. began as a grassroots organization by a handful of friends who, in response to the national HIV/AIDS epidemic first reported in New York and San Francisco, went into action educating gay men in the Greater Atlanta area about prevention and assisting with accessing medical care. More than three decades later, AID Atlanta, Inc. is a nonprofit 501(c) (3) public organization in the Deep South belt that still performs these life-saving medical care, pharmaceutical, and prevention services in the Greater Atlanta, Georgia area. We educate others and speak frankly about HIV and STIs. Every dollar donated to AID Atlanta stays in Georgia to fund our programs and services.

The mission of AID Atlanta is to reduce new HIV infections and improve the quality of life of its clients and the community by breaking barriers and building community. This mission is accomplished through direct client services, a primary health care clinic, and HIV prevention education. Our mission is further shown through HIV testing and prevention services including outreach to heavily burdened communities in a manner that is meaningful and impactful to the communities being targeted.
PROGRAMS AND SERVICES

AID Atlanta provides direct support for people living with HIV/AIDS in the 30 counties of the Greater Atlanta Area and surrounding rural counties in Georgia by assisting them with accessing resources such as housing and rental support, linkage to medical care and behavioral health, and other essential support services.

AID Atlanta provides primary medical care for individuals living with HIV in two locations. Additionally through our affiliation with the AIDS Healthcare Foundation, we also have AHF pharmacies co-located in our health care centers. The main location, which is in Midtown Atlanta, Georgia is the primary location frequented by the target population who access HIV prevention services such as HIV testing and linkage to medical care. The second location in the City of Newnan, in Coweta County, Georgia and serves 12 counties in the LaGrange Public Health District 4 including Butts, Carroll, Coweta, Fayette, Heard, Henry, Lamar, Meriwether, Pike, Spalding, Troup, and Upson.

AID Atlanta provides medical case management services to clients at the Midtown Atlanta and Newnan locations, including a variety of other community and medical facilities which affords clients access to social service support at the same location where medical services are provided.

In addition, AID Atlanta offers comprehensive HIV prevention education programs designed to reduce the number of new HIV infections through free and anonymous HIV Counseling Testing and Referral Services, STD Testing and Treatment Clinic, the Georgia AIDS and STD Infoline, and AIDS 101 Action and Awareness Seminars.

PROGRAMS AND SERVICES INCLUDE

- Primary Care Clinic
- STI Testing & Treatment
- PrEP Clinic
- Medical Case Management
- Medication Assistance
- On-Site Pharmacy
- Housing Services
- Behavioral Health
- Self-Management
- Education & Outreach Programs
THE YEAR IN NUMBERS AND STATS

AID ATLANTA CASE MANAGERS ARE ALSO AT 16 ADDITIONAL SITES THROUGHOUT ATLANTA.

AID ATLANTA BECAME AN OFFICIAL PARTNER AND AFFILIATE OF THE AIDS HEALTHCARE FOUNDATION IN 2015 HELPING US TO EXPAND OUR BREADTH AND REACH IN THE COMMUNITY.

AID ATLANTA HAS PROVEN ITSELF TO BE A LEADER IN THE FIGHT AGAINST THE AIDS EPIDEMIC IN ATLANTA.
The Finance Department of AID Atlanta adheres to the strictest General Accepted Accounting Principles, the Better Business Bureau Standards for Charitable Accountability, and policies and procedures of the Federal, State, County and City governments, and is advised by its Board of Directors. AID Atlanta is proud to spend 86 cents of every dollar on mission-based activities. For a complete copy of the most current external audit of financial position and procedures, IRS Form 990, please visit our website at www.aidatlanta.org or contact our finance department office of the controller at 404.870.7727.
AID ATLANTA COMMUNITY SUPPORT

The support of our generous friends – the government, institutions (including corporations, concerned civic organizations, faith-based, and community groups) and individuals, —is vital for the continuation of programs and services to meet AID Atlanta’s mission. Every financial contribution made, and hour volunteered has been critical in helping AID Atlanta to transform lives every day.

EIGHTY-SIX CENTS of every dollar raised goes directly to programs & services.

There are several ways to support us, including:
The LOOP Giving Society Corporate & Matching Gifts
Honors & Memorial Gifts Fundraising Events
Recurring Monthly Gifts In-Kind Donations
AmazonSmile
Kroger Community Rewards (Kroger.com/Community Rewards)

THE FOUNDERS SOCIETY

In 2008, AID Atlanta inaugurated its Founders Society, which recognizes those supporters who have contributed $50,000 or more to the organization, over their lifetime. This exclusive group of generous donors embodies the spirit of philanthropy at its best and represent the highest level of commitment to those living with HIV/AIDS in Greater Atlanta.

*Please note that every attempt has been made to include donors who contributed to AID Atlanta in 2017. We deeply regret any omissions or error and assure you that we sincerely appreciate your generosity. Names on individuals who contribute to community and workplace campaigns are not always made available to benefiting organizations and may not be included in this listing.
AIDS WALK ATLANTA & 5K RUN

AIDS Walk Atlanta & 5K Run is the premier signature fundraising HIV/AIDS event in Greater Atlanta. The 2017 event was our 27th annual occurring on October 22nd in Atlanta’s, Piedmont Park. With post walk entertainment by Electric Avenue – the 80’s MTV experience, food trucks and community picnic, the event was a great day of fund and friend raising.

Even though HIV prevention and medical care access for all continues to improve nationally, many southern states remain impacted by health disparities due to lack of health insurance for all its citizens. Georgia is one of the states that elected not to expand Medicaid as part of the Affordable Care Act implementation. As a result of that action, a large number of Georgians remain without access to healthcare.

According to the Ryan White Planning Council in Atlanta, there are an estimated 20,000 individuals living with HIV who are not accessing primary HIV medical care. Many of those who are not in care need support, direction, and guidance to get connected to medical and prevention services. The same can be said for high risk HIV negative persons who are often underemployed, undereducated, and lack basic essentials for a healthy quality of life. These factors lead to infrequent or non-existent use of primary health care services, increased sexual risk-taking behaviors, and diminished self-value, all of which increases the chances of acquiring or transmitting HIV unknowingly.

AID Atlanta has always been a grass-roots, community-based, organization. From the five friends that co-founded the organization providing up-to-date information and community outreach to the 85 professional staff members providing direct medical and pharmaceutical care, supportive services, and prevention education, we thank those who do the tough work every day.
AID Atlanta’s professional leadership is made up of a select group of individuals from a variety of backgrounds, bound by shared interest in providing services, educating, and advocating on behalf of people living with, and at-risk for, HIV/AIDS.
