The mission of AID Atlanta is to reduce new HIV infections and improve the quality of life of its members and the community by breaking barriers and building community.

CORE VALUES

COMPASSION
We affirm the dignity and worth of every person through our thoughts, actions, governance, and service with the same kindness that we want to receive.

RESPECT
We celebrate diversity and individuality. We speak words and demonstrate actions that bring honor and pride to ourselves, our organization, and our community.

SERVICE EXCELLENCE
We believe that everyone deserves excellent customer service and quality healthcare. We make every effort to attend to our members’ needs and improve their health outcomes.

INTEGRITY
We strive to be honest, ethical, and fair in everything we do. We fulfill our commitments, hold each other accountable, lead by example, and concentrate on doing the right thing every time.
Dear Friends of AID Atlanta,

I am writing today to share with you the AID Atlanta Annual Report for 2022, which summarizes our agency’s growth and accomplishments for the past calendar year.

AID Atlanta provides comprehensive services that help prevent new HIV infections while providing direct and supportive care to members living with HIV. We are grateful for the support of our donors, staff, volunteers, and community partners. In 2022, we made considerable progress in our fight against HIV/AIDS. We facilitated over 16,000 HIV tests and doubled the number of active program participants on PrEP therapy to 1,100 active participants. We increased the number of patients in primary HIV care at our Newnan office, while still referring patients to AHF health Care Center and Pharmacy, thus providing one-stop services at our Peachtree Street location. We got our Medical Case Management program back to in-person visits, resulting in 80% of program participants being virally suppressed.

Throughout the year, we commemorated 40 years of service for AID Atlanta. We marked how far we have come, and thanked those who made those advances possible—you, our supporters and the great, caring professional staff who do the challenging work with our members. We know there is still much to do, as HIV/AIDS remains the significant public health crisis of our time and our area. We are committed to fighting the disease, and the shame and stigma associated with HIV/AIDS until it is no longer a threat to our community.

In 2023, we will continue to work across the HIV continuum of care, identifying people who may be unaware of their HIV status and linking them to care, providing support and resources, and helping those who test negative remain that way.

Your generous support makes our work possible. We are eternally grateful!

Nicole Roebuck MSW
Executive Director
ABOUT US

For 40 years, AID Atlanta has worked to reduce new HIV Infections and improve the quality of life of its clients, patients, and program participants by working to prevent new HIV infections and providing excellent direct and supportive care to people living with HIV/AIDS. Internationally recognized, AID Atlanta is one of the country’s oldest and most comprehensive community-based HIV/AIDS service organizations.

Since 1982, the HIV/AIDS epidemic has changed dramatically, and so too has AID Atlanta. Science, funding, and successful data-based programs and services has guided the agency forward. It is the incomparable dedicated professional staff, exceptional volunteers, and generous partners that are the backbone of AID Atlanta’s success.

PROGRAMS AND SERVICES

AID Atlanta provides direct support to people living with HIV/AIDS in the 30 counties of the Greater Atlanta Area and surrounding rural counties in Georgia by assisting them with accessing resources such as housing and rental support, linkage to medical care, emotional wellness, and other essential support services.

AID ATLANTA OFFERS A BROAD RANGE OF HIV/AIDS PREVENTION AND CARE SERVICES INCLUDING

- Primary HIV Medical Care • Medical Case Management • AHF on-site Pharmacy
- PrEP Clinic • HIV/STI Screening and Treatment • AIDS Drug Access Assistance
- Community HIV Prevention • HIV/STI Infoline • Community Awareness Outreach
- Linkage and Retention to Care • Medical Case Management • Emotional Wellness Counseling
- Housing and Utility Assistance • Emergency Needs Assistance

AID Atlanta became an official partner and affiliate of The AIDS Healthcare Federation in 2015 helping us to expand our breadth and reach in the community.
#1 AID Atlanta operates one of the city’s first PrEP clinics serving 1100 clients, a 50% increase over 2021.

Healthcare centers are located in TWO locations: Newnan and AHF at AID Atlanta. Services are available to all regardless of the ability to pay. Free HIV/STI testing, and treatment are offered daily at our Midtown location.

#2

Our Georgia HIV/AIDS info line fields over 1,900 calls per month and provides callers information for HIV/AIDS services including STI testing and treatment options throughout the state of Georgia.

AID Atlanta case managers provide on-site case management services at these various partner organization sites:

- Clayton
- DeKalb
- Fulton Boards of Health
- Mercy Care
- Atlanta Veterans Affairs
- Fulton County Jail
- Dekalb County Jail
- Jerusalem House
- Matthew’s Place
- Edgewood & Hope House

MIKE’S STORY

“I’ve had HIV since 2014. When I found out, I was scared and didn’t know what to do. I reached out to AID Atlanta because they were the only organization I knew of in the area. My case manager referred me to a mental health counselor who helped me understand my diagnosis and start living my life with HIV. The counselor was really dedicated to helping me, and she made me feel like I wasn’t alone.

I’m still a client of AID Atlanta, and I have a case manager who cares about me and checks in with me regularly. Even through the pandemic, she’s been there for me. I receive care at their clinic, since I don’t have health insurance.

I appreciate the care that I receive at the clinic, and they even help me get my medication and remind me when I need refills. I’m grateful for the compassion and dedication of the professionals at AID Atlanta. I am healthy and have an undetectable viral load. They are helping me live a fulfilling life with HIV. I know that they’re helping other people with HIV too, and I’m glad that they’re there.”

MEESHA’S STORY

“I was a nervous wreck the first time I went to get an HIV test. I was worried about what the results might be. But when I walked into AID Atlanta, I was immediately put at ease. The staff was friendly and welcoming, and they took the time to answer all of my questions.

The test itself was quick and I got my results right then. I was negative, which was a huge relief. During the testing I asked about PrEP because there was a poster on the wall.

PrEP is a medication that can help prevent HIV infection. I got more information about the program. After talking to the coordinator, I decided to start taking PrEP, and I’m so glad I did. It’s given me peace of mind and allowed me to live my life without fear of HIV infection. I’m so grateful for providing me with the information and resources I needed to protect myself. and I encourage others to get tested at AID Atlanta.”

TIFFANY’S STORY

Advisory Board Member

“Growing up I had a cousin, Dale, who was known for being flamboyant and outrageously fabulous! I loved and appreciated him for his style and fearless attitude, which made it shocking to learn of his passing. This was the early 90s and to me his death was sudden, and no one would fully explain what happened. There were many whispered conversations and avoided eye contact at the mention of his name.

I eventually learned that this was my first personal encounter with the effects of HIV/AIDS. The memory of that experience has continuously

ANNUAL REPORT SPOTLIGHT
fueled my drive to ensure that all those living with HIV/AIDS are treated with compassion, respect, and dignity. AID Atlanta gives me the opportunity to continue my advocacy even further and lend support where I can.”

DANA’S STORY

“I have lost so many people. I’m of the age where there wasn’t even medicine. It made having sex fearful. I always had that black cloud hanging over my head wondering if I was next…. I don’t have that fear anymore. It makes me sad when I see young people that are HIV positive when there is a medicine that can prevent transmission but lack of access fuels this epidemic in our city. AID Atlanta has helped me obtain PrEP in a time when I did not have insurance and they continue to check up on me on a quarterly basis to make sure I am taken care of.”

ATLANTA PRIDE PARADE

AID Atlanta celebrated its 40th anniversary with a float in the Atlanta Pride Parade, a colorful and festive display of support for the LGBTQ+ community. AID Atlanta is committed to providing quality care, prevention, and support to everyone in the community in the fight against HIV.
AID ATLANTA COMMUNITY SUPPORT

The support of our generous friends - the government, institutions (including corporations, concerned civic organizations, faith-based, and community groups) and individuals, - is vital for the continuation of programs and services to meet AID Atlanta’s mission. Every financial contribution made, and hour volunteered has been critical in helping AID Atlanta transform lives every day.

THE FOUNDERS SOCIETY

In 2008, AID Atlanta inaugurated its Founders Society, which recognizes those supporters who have contributed $50,000 or more to the organization, over their lifetime. This exclusive group of generous donors embodies the spirit of philanthropy at its best and represents the highest level of commitment to those living with HIV/AIDS in Greater Atlanta.

*Please note that every attempt has been made to include donors who contributed to AID Atlanta in 2022. We deeply regret any omissions or errors and assure you that we sincerely appreciate your generosity. Names on individuals who contribute to community and workplace campaigns are not always made available to benefiting organizations and may not be included in this listing.
AIDS WALK ATLANTA AND MUSIC FESTIVAL 2022

For over 32 years AIDS Walk Atlanta and Music Festival has raised funds at the grassroots level for HIV Education and Prevention and to care for people living with HIV/AIDS in greater Atlanta. AID Atlanta was proud to be a beneficiary of AIDS Walk Atlanta in 2022.

Funds from AIDS Walk Atlanta & Music Festival are unrestricted funds with 80% of those going to support programs and services to care for people living with HIV, and those at risk of becoming HIV positive. Funds raised by Team AID Atlanta through AIDS Walk Atlanta are the backbone of unrestricted revenue and remain integral to our operation.

Team AID Atlanta and our sub-teams raised $131,000 with a dollar-to-dollar match granted to us by AIDS Healthcare Foundation for a total amount raised of $262,000.
